Play it *safe* with Germiphene

IN A CLOSE GAME BETWEEN GERMIPHENE AND THEIR COMPETITION, THE UMPIRE CALLS THE GERMIPHENE RUNNER "SAFE" AT HOME PLATE AFTER HITTING AN IN-THE-PARK HOMERUN.

Health Health Canada has approved the use of *GermiCide*³ which means your patients, your staff, & you are in good hands with the: *most cost effective and best broad spectrum kill in Canada!*

GermiCide³ hits a grand slam!!!

Studies show that it is safe on all surfaces: soft surfaces, hard surfaces, vinyl and plastics. *GermiCide*³ will **NOT** corrode metals or yellow plastics.

SPORTS S1

*GermiCide*³ is also environmentally friendly and **completely** biodegradable which makes it **safe** for everyone and everything.

If that wasn't enough, *GermiCide*³ is also **safe** on your wallet! Getting a 3 minute kill on:

- bactericidal,**
- fungicidal,**
- virucidal and**
- tuberculocidal**

doesn't have to put your bank account in danger. *GermiCide*³ **exceeds all guidelines**

and most important of all, keeps you safe from infection.

*GermiCide*³ comes in **REGULAR** and **LARGE** premoistened wipes as well as in bottles of liquid solution: 3.78 L and 9.46 L
