

# PRODUCT PROFILE

## **BUFF** **PROPHY JET POWDER**

<b>Product</b>	Prophylaxis powder
<b>Description</b>	For use in all air polishing units
<b>Function</b>	Formulated to provide a thorough and effective prophylaxis.
<b>Packaging</b>	500 g clear bottle

<b>Features</b>	<b>Benefits</b>
<i><b>Cleaning Action</b></i>	Effectively cleans, even into deep pits, fissures and interproximal areas. Heavy stains are thoroughly and gently removed. Calculus deposits are quickly and gently washed away without tissue laceration.
<i><b>“Aero-flow” Anti-Clogging Agents</b></i>	The addition of specially formulated “aero-flow” anti-clog agents prevents clogging of the air polishing unit and ensures an even flow-through of the powder.
<i><b>Delicious Flavours</b></i>	Available in two great tasting flavours that eliminate any salty aftertaste and leave mouth feeling refreshed. Also available in unflavoured.

If you have any questions about **BUFF**, contact your local area sales representative or call **GERMIPHENE** Corporation toll-free at 1.800.265.9931
