

PRODUCT PROFILE

CHROM-O-RED

DIN 02021137

Product	Disclosing solution
Description	A concentrated red dye in a peppermint flavoured base
Function	An aid for hygiene education to illustrate proper tooth brushing technique
Packaging	60 mL concentrate

Features	Benefits
<i>Concentrate</i>	10 drops of CHROM-O-RED diluted in 10 mL of water allows for cost-effective oral hygiene instruction.
<i>Dramatic Stain</i>	When rinsed for 5 seconds and expectorated, plaque deposits will stain a dramatic red allowing instruction in proper tooth brushing technique.
<i>Flavoured Base</i>	Peppermint flavoured base ensures favourable patient acceptance.
