

PRODUCT PROFILE

GENIE PLUS DIN 02190826

Product	GENIE PLUS Chair Cleaner
Description	GENIE PLUS chair cleaner is known for its ability to cut through oils and grease, as well as its superior cleaning action.
Function	For use in the health care industry, this unique formulation effectively cleans away dirt and grease from chairs between patients.
Packaging	4 L bottle (700 mL sprayer available) Canister with 160 wipes Refill pouch with 160 wipes

Features	Benefits
<i>Versatile</i>	Suitable for cleaning all surfaces of Naugahyde, vinyl, plastic laminate and leather. Not for use on cloth upholstery.
<i>Effective Cleaning Action</i>	Cleans and polishes, removing stubborn stains. Does not leave a sticky or slippery residue when wiped dry. Breaks down silicone buildup.
<i>Contains No Abrasives</i>	May be safely used for cleaning Naugahyde®, vinyl, plastic laminate and leather. Does not contain alcohol which causes drying or cracking of upholstery. Always consult manufacturer's directions before using any cleaner on upholstered or finished surfaces.
<i>Special Boosting Agents</i>	To increase detergency and cleaning power of GENIE PLUS Chair Cleaner.
<i>Contains a Humectant</i>	To maintain the suppleness of leather, vinyl and Naugahyde®.
