### Cleaning magic for chairs

Genie Plus™ is a chair cleaner containing a synergistic combination of surfactants and humectants known for their special abilities to cut through grease and oils, while maintaining suppleness.

<b>Effective</b>	Genie Plus™ cleans and polishes, removing stubborn stains.*
	Industrial strength cleaning power removes years of built up grime to restore your chair to its original shine.
	Creates a protective coating to resist soil, bacteria, mold and biofilm.
	Multi-purpose formula: cleans, disinfects, restores and neutralizes odours.
	Sanitizes in 30 seconds. Also, has a 10 minute disinfection time.
	Specifically formulated for leather, using natural emollients and humectants that nourish and protect your chair.
	Magically increases the moisture retention level in your chair to maintain suppleness and prevent cracking and drying of leather.
<b>Convenient</b>	Ready to use. Choose your preference of spray or wipes.
	Low foaming, non-sticky formula is easy to apply. No scrubbing necessary.
	Leaves no residue and a non-slip surface when wiped dry.
<b>Safe</b>	Suitable for cleaning all surface of Naugahyde®, vinyl, plastic laminate and leather.
	<b>ALCOHOL FREE</b> formula prevents drying or cracking of upholstery.
★★★★	Genie Plus™ scored 3.5 out of 4 in the CR® (Clinicians Report) clinical field trials. 84% of evaluators rated the product good to excellent.
