- ♥ Products enhance each other to clean & protect your skin.
- ♥ User friendly packaging in convenient sizes & eco-friendly refill options.

IC-Gel | ANTISEPTIC SKIN GEL

Disinfects	IC-GEL provides broad spectrum germicidal action effective in reducing transient bacterial and viral contamination. It is extremely effective against a wide range of pathogenic microorganisms (including gram positive and gram negative bacteria, virus, fungi and yeast). Provides effective antimicrobial action against MRSA, VRE, Candida Albicans, Pseudomonas, Salmonella & Staph . Kills 99.99% of germs!
	IC-GEL contains 70% ethanol , meeting current guidelines for hand hygiene.
Convenient	IC-GEL is a ready-to-use gel designed for between patient contact and involvement in procedures requiring hand hygiene where no scrub sinks are available. No water is required.
	IC-GEL saves time. It can be used anywhere, anytime, and provides effective hand hygiene in just 30 seconds.
Moisturizes	The combination of emollients offer superior moisturizing and counteract drying effects of the ethanol. Conditions skin while helping to guard against dermatological problems even after multiple uses.
Non-sticky	IC-GEL is clear, non-staining and residue-free . Does not impact glove performance.
	IC-Gel evaporates quickly to facilitate glove donning.

Kills 99.99% of Germs!

*1L Available in Ginger Citrus only.

Soothing Skin | ANTIMICROBIAL HANDWASH

 Winter Pear |
  500 mL |
  4 L |
  Bracket

Cleanses	Removes microorganisms to prevent cross-contamination between patients and health care personnel. Effective against a broad range of gram positive and gram negative bacteria, including Staph and Pseudomonas aeruginosa .
Protects	Gloves act as an occlusive incubator for bacteria, washing hands with SOOTHING SKIN before glove use reduces the growth of pathogenic bacteria. Latex compatible .
Moisturizes	SOOTHING SKIN is enriched with Chamomile extract which leaves skin feeling smooth and soft even after repeated handwashing. SOOTHING SKIN's mild formula helps prevent the development of dry cracked skin.
	SOOTHING SKIN lathers quickly, lifting and suspending transient bacteria. The cleansers in SOOTHING SKIN rinse freely, eliminating a possible source of irritation.

Enriched with Chamomile!

UREAKA | HEALING HAND CREAM

 PARABEN Free |
  Fragrance Free |
  Winter Pear |
  100 mL** |
  480 mL |
  Bracket

Heals	UREAKA contains 10% urea, a naturally occurring moisturizing agent. Urea heals dry, chapped and irritated skin .
	Enriched with Chamomile , this anti-inflammatory agent, soothes and conditions irritated and itchy skin.
Moisturizes & Protects	Formulated especially for working hands, UREAKA was developed for health care professionals whose hands are constantly exposed to frequent washing, harsh chemicals, glove use and the risk of infection.
	UREAKA rehydrates , attracts water to the skin, and protects the skin from moisture loss. This unique formulation leaves hands healthy and feeling soft and silky.
Non-greasy	Fast-absorbing and non-greasy for easy glove application. Latex compatible.

Made with 10% Urea!

Paraben Free

**100mL Available in Fragrance Free only.

Germi-Stat 2% or 4% | ANTIMICROBIAL SKIN CLEANSER

 Fragrance Free |
  480 mL |
  4 L |
  Bracket

Disinfects	GERMI-STAT is formulated for before and after patient contact and as a pre-surgical handwashing. Use of GERMI-STAT reduces the risk of cross-contamination to and from patients and staff personnel.
	GERMI-STAT contains chlorhexidine gluconate for a broad spectrum effectiveness including gram positive and gram negative bacteria, yeasts, molds and other pathogens including Pseudomonas aeruginosa and Staphylococcus aureus . It is highly effective even in the presence of organic material such as saliva, serum, pus and blood.
Fast	GERMI-STAT is a fast acting, 30 – 60 second antimicrobial cleanser .
Long-lasting	GERMI-STAT eliminates a broad spectrum of microorganisms and prevents colonization up to 12 hours after application!
Convenient	GERMI-STAT is harsh on bacteria, but gentle enough for every handwashing. Leaves skin soft .
	GERMI-STAT is clear and non-staining . Viscous formulation reduces runoff .

Works for up to 12 hours!
