

ReViVe

Concentrated Instrument Rust & Stain Remover

Enhances the life and efficiency of
Stainless Steel Instruments

ReViVe is a quick, safe and efficient revitalizing solution that removes rust, stains and corrosion from stainless steel instruments. ReViVe is environmentally friendly and cost effective.

When used routinely, ReViVe will help maintain the life and efficiency of your instruments and reduce repair and replacement costs. Helps restore instrument's original finish and allows moving instrument parts to function more efficiently.

ReViVe is packaged in a convenient 2 L Tip 'n' Measure bottle for ease of use.

- **Cost Effective - reduces instrument replacement cost**
- **Compatible with stainless steel, plastic, aluminum, brass and chrome-plated instruments**
- **Effectively removes rust, stains and corrosion**
- **Biodegradable/Environmentally friendly**
- **Makes instruments look like new**

***Don't Replace your instruments,
ReViVe them!***
