

# REFRESH

## Alcohol-Free Antibacterial Mouthwash

*A pleasant pre/post-procedural rinse.*

Refresh contains antibacterial agents that safely and effectively kill odour causing bacteria and inhibit further growth. Refresh mouthwash contains the clinically proven ingredient CPC (Cetyl Pyridinium Chloride), which is known to reduce levels of viable bacteria in both dental aerosols and saliva.

Alcohol-Free Refresh is safe to use on a wide range of patients including children, diabetics, recovering alcoholics, elderly patients, and those on medication.

The exhilarating mint flavour makes Refresh pleasant for patients and leaves behind a clean, fresh taste that lasts.

- 100% ALCOHOL-FREE formulation
- Non-Staining
- Provides long lasting fresh breath
- Reduces cross-contamination
- Contains CPC which inhibits bacterial growth

*Pleasant tasting,  
refreshing mouthwash  
for a wide range of patients!*
