

Glute Neut

Active Glutaraldehyde and OPA Solution Neutralizer

Environmentally friendly, one-step solution for the disposal of Glutaraldehyde and OPA.

Glute Neut is a proprietary organic compound that works to neutralize glutaraldehyde and ortho-phthalaldehyde (OPA), allowing for safe and easy drain disposal.

One pouch of Glute Neut oxidizes and neutralizes up to 1 L of glutaraldehyde or 4 L of OPA* in just five minutes. Glute Neut changes the solution from a yellow to red colour, assuring that the neutralization has occurred and the product is ready for an environmentally friendly disposal. Glute Neut ensures that the solution will not harm water systems or aquatic life.

- Fast-acting, one step solution
- Environmentally friendly
- Eliminates vapours caused by agitation
- Eliminates eye and skin irritants
- Ensures a safe disposal

For environmentally friendly and safe solutions!

**1L of 2% - 2.5% Glutaraldehyde or 4L of 0.55% OPA solution.*
