### Therapeutic Hand Care Line

A collection of gentle hand care products to cleanse, protect, and moisturize skin.

The Simply Botanical Sensations line of skin care products provide soothing, softening skin care.

**Soothing Skin** is an extremely gentle antimicrobial skin cleanser that kills bacteria without drying skin. Hypo-allergenic Soothing Skin is enriched with emollients and chamomile to soothe and relieve damaged skin. Soothing Skin is ideal for a clinical setting where frequent handwashing is required.

**Body Bliss** is a nourishing moisturizing lotion and protective cream. Enriched with chamomile and hydro-lupine, Body Bliss silken while quickly absorbed. Body Bliss is a non-greasy formula that doesn't feel heavy or sticky.

**Healing Hands** is a therapeutic conditioner and barrier cream designed to guard skin from things such as latex gloves and excessive washing. Formulated with urea, Healing Hands bonds to skin's surface and provides a barrier against irritants to help prevent dry, chapped skin.

- Ideal for clinical staff who wash hands frequently
- All products have pleasant Winter Pear scent
- Provides intensive skin therapy
